## Dear Frenchwoodite,

Best wishes for a happy New Year to all of you and your families. I hope 2012 brings you health, happiness and a great summer at French Woods.

So many things are happening all at once. The new Staff Center, Tennis Courts and Video Complex are all coming along well. Registration is now over the eighty percent (80%)

mark. All CIT positions are officially closed. A few kids have asked me to save them spots and I have, but at this time it is unfair to hold these spots and turn others away. If you are not yet registered as a CIT, please call immediately.

It's always amazing the number of alumni that contact the office this time of year. The things they are up to are incredible. More than that, we get contacted from all over the world.

Just a reminder, we are starting our search for summer staff. Larry, David and I begin our hiring trips in the next few weeks. Do you know of anyone in need of a summer job?

Fondly,

**Ron & Barbara**

## French Woods Mini-Camp 2012

French Woods is now offering a wonderful opportunity for boys and girls ages 7 through 12. We are inviting those children interested in attending French Woods to "test the waters." It is an opportunity for your children to spend a weekend at French Woods to get a taste of what would be in store for them.

The mini-camp tuition is \$100.00, which will be credited back to you, should you sign your child up for the 2012 or 2013 camp season. This is a perfect opportunity for siblings and friends of current campers to check out camp!

If you have any questions, please call 800-634-1703.

## Show DVDs

At this point all DVD's have been mailed out. If you haven't received your DVD, give us a call in the office to be sure that we have your order!

## Show Selection

There are many factors involved in the selection of shows for each summer's schedule. The main factor is that the show must be available for licensing. That is why many of the new shows currently on Broadway are not available for amateur performance and may not be so for many years to come.

We try to select shows in which the subject matter and material is both appropriate and accessible for the age group intended. We also try to select shows that we think campers will enjoy performing. It is also important that each show we select has as many opportunities for as many people as possible to shine. The demands of sets, costumes and orchestrations are also taken into consideration. Equally important is how the shows will play against each other in our five theatres. We also try to mix old favorites which we do every four years or so, with new and exciting shows that may be unfamiliar to most of you.

With the two black box theatres we are able to undertake shows that are more experimental in nature.

Once the calendar is set we try not to make changes. Sometimes this is unavoidable. We spend countless hours each winter debating the merits of various shows and how they will enhance our schedule. The main goal is to have something for everyone!

## Accommodations

The office has received many calls with regard to accommodations for visiting camp. Please visit [www.frenchwoods.com](http://www.frenchwoods.com) to find our suggested venues. Go to **for parents** and click on **nearby accommodations**. Act soon! Hotels in this area book early!

## Beth Backstage

I hope that you all had happy holidays this year. For us, the holidays are a great time for catching up with camp people visiting in sunny Florida.

Voice instructor Andrea Wivchar was down for the holidays as was Adrian Ruz. They both seemed to be enjoying thawing out from the Boston winter. Victor Legra was able to stop by the office as well.

Michael and I had a wonderful holiday this year and even got to celebrate Christmas Eve with several French Woods folks.

Hiring will kick into high gear this month when Larry, Ron and David, leave on their respective hiring trips to the UK, Australia, Mexico and Eastern Europe.

Do you have someone to recommend to work at camp for 2012? If so, have them contact me in the office or by e-mail. The earlier people apply, the better chance there is that there will be a position open.

I look forward to seeing you in the summer!

Sincerely,  
**Beth**

We are about to start our annual recruitment trips to Europe, Mexico, Australia and of course the United States. Check out our website to see when and where we will be in your town.

Things at camp are shaping up with a new kitchen for the canteen and new bathrooms in our boys bunks. The summer of 2012 is going to be a great one.

Please check out our website to see if you can help at either our camper recruitment fairs and our staff recruitment around the United States and the world. Keep the emails and phone calls coming in. Again, have a great 2012.

Happy New Year,  
**Larry**
